## Sponsor Agreement Form

The Cedars Restaurant at High Cedars Golf Club will provide your group with a variety of snack, food and beverage services. The Cedars Script is another sponsor idea you can utilize to meet your Sponsorship desires.

With prior approval we would also carry an open tab for your hole sponsor. The entire High Cedars Golf Club is a licensed premise. This is done to sell beer and liquor for consumption on the Golf Course. It is a violation of our liquor license and against the law to bring privately purchased alcoholic beverages onto the Golf Course or into the restaurant. Our license requires that all alcoholic beverages be dispensed by an employee and that the container has been opened.

Please complete this form and fax or send to the Food and Beverage Director at High Cedars Golf Club so they may meet your sponsorship requirements.
