

# High Cedars Golf Club

## Food & Restaurant Information for your Tournament

The Cedars Restaurant will provide your group with a great variety of food and beverage services. We serve everything from continental breakfasts and box lunches to full dinners with appetizers and desserts.

High Cedars Golf club is a licensed premise. We have done this to be able to sell beer and liquor for consumption on the Golf Course. It is a violation of our liquor license and against the law to bring privately purchased alcoholic beverages to the Golf Course or into the Restaurant. Our license requires that an employee dispenses all alcoholic beverages and that the container has been opened.

### **Important Sponsor Information**

Please read and pass along the Sponsor Form to each of your hole sponsors. A tournament who's Sponsor provides food or beverage products not purchased from the Cedars Restaurant will be charged \$50.00 for each sponsor. The Cedars Restaurant will provide your group with a great variety of food, snack and beverage services. Sponsors may "Host" a beer hole at the turn at the counter. On any par 3 hole, bottled beer may be hosted for a \$50.00 service fee paid to the Cedars Employee working the hole.

We will be happy to provide your tournament players or sponsors with Script to be used at our beverage carts, snack bar counter or bar. Script is sold in \$3.00 increments and may be used to purchase any food or beverage items. We have a full service bar in the restaurant providing cocktails, assorted bottled beers, wine and beverage products. With prior approval we would be happy to carry an open tab for your tournament.

Prices do not include gratuities or 9.4% WA State sales tax, which are added to the final bill. Gratuities collected from the sales of Script go to the person working the beverage carts and snack bar counter.
